

## SENSORY MATERIALS/EVENTS

### For PMLD & autism spectrum versions

Bubbles - performers blow bubbles into the water; jacuzzi bubbles

Water – water is showered overhead from colanders; the participants shelter under umbrellas while water is poured onto them

Wafted fabric scented with camomile

Warm towels scented with lavender

Specially-designed floating instruments which produce vibrations

Soft wind scented with mandarin blown onto the audience

Scented misters: rose, apple, frankincense, mandarin

### For deafblind/MSI version

As with the PMLD & autism spectrum versions, but without soft wind blown onto audience and mandarin scented mister
